An OUTSTANDING VALUE. Get your FREE TRIAL today!

Designed for Canadian college and university faculty & students, CAN-CORE AV is an excellent source of current and relevant video content. Our streaming platform features current and relevant product from some of the best video producers including a vast selection of Canadian content. Educators and students have 24/7 access to an extensive library of resources easily integrated into lectures, research and assignments.

The screenshot displays the CAN-CORE AV website interface. The top navigation bar includes the CAN-CORE ACADEMIC VIDEO logo and a search icon. The main content area features a large video player for the video "Plastic Ocean, A (100 Minute Version)". To the left of the video player is a sidebar with two rows of video thumbnails under the headings "Recently Added" and "New Indigenous Titles". To the right of the video player is a detailed description of the video, including its length (100:00 min), producer (Avision Silver Star), copyright (2018), and subject area (Documentaries, Sciences and Math, Social Sciences). Below the description is a "SUBJECT AREA/SUBJECT:" section with a table for selecting subject areas and subjects.
